THREE DEAD IN BATTLE.  
Members of the Pennsylvania Constabulary Shot Down in Riot.

Punkatowney, Pa., Sept. 4.—Two members of the state constabulary died, one dying and two others wounded in the result of a riot with Italians at Florence, seven miles from here. One of the Italians is dead, another is slightly wounded, and two are under arrest, while the house in which the rioters barricaded themselves is a wreck from dynamite used by the troops to dislodge the rioters. The dead: Private John Henry of Philadelphia, shot through the heart.

Private Francis Vahring of Conshohocken, body riddled with bullets and rescued just before the house fort was destroyed.

Unidentified Italian shot through the heart.

The seriously wounded: Private Homer C. Chambers of Rochester, Pa., shot through the head and body, having five wounds, mostly backshot.

The less seriously wounded: Private William A. Mullen of Harrisburg, shot through the right foot.

George Felitsky, aged twelve, son of a rioter, shot through the leg.

Sergeant Joseph Logan of Dubois, who was at first reported among the injured and whose attempt to make an arrest led to the battle, was not hurt.

Mullen got a few backshots through his right foot. Chambers received five shot, three in his chest, and two on the right side of his head.

They staggered back and Chambers was caught by his comrades and sent to the hospital. Yesterday morning it was stated that he was resting well, although seriously injured.

Fifteen more troops were sent to the scene.

Logan went to Florence Sunday afternoon to arrest an Italian charged with murder.

Instead of capturing the man Logan tried to arrest two others who were fighting. He went into the house where the men boarded and an Italian tried to stab him with a stiletto, and as he made his way from the house he was fired upon. He turned and emptied his revolver into the doorway, then ran.

Help was summoned from the state constabulary headquarters here and five troops were sent to his aid. As they approached the house they were fired upon from almost every window. Private Henry fell dead with a bullet through the heart.

The others retreated, but Chambers and Mullen rushed up to being back their comrades, not knowing he was dead. Mullen got a few backshots through his right foot.

## LABOR DAY ATHLETICS

Rain Dampens Ardor of Celebration

### AT BASE BALL GROUNDS

Montpelier Won Ball Game Easily from Barre—Results of the Various Sporting Events of the Day.

The weather clerk put a damper on the Labor day sports held under the auspices of the Barre-Montpelier baseball association at the Inter-city grounds yesterday afternoon. Only between two and three hundred people braved the wet to attend and the list of sports was only partially carried out. The Montpelier band gave a very enjoyable concert in the grandstand during the afternoon. The baseball game between pick-up teams from this city and Montpelier was the first thing on the programme. In this the Barre representatives were an easy mark for the Capital cityites. The game ran only seven innings and ended with the score 17 to 5 in favor of the latter team.

Whether pitched four innings for the Barre team and was touched up for nine said his. Reid pitched the last three innings and allowed six hits. Hull pitched for Montpelier and allowed seven hits but they were scattered and were not so fatal as the winner's hingles.

Following this game the next contest was the running of bases, which was won by Leslie Wright in 16 seconds.

E. L. McLeod was second with one-fifth of a second slower time.

In throwing the baseball William Hodge was the winner, making a throw of 322 feet 4 inches; Henry Carbo second, distance 317 feet 8 inches.

The fat man's race, in which only one of the three men who ran could tip the scales at 200 pounds, was won by Fred Huntington and Dennis Dineen was second.

John Holden won the boy's race and William Carbo was second. Leslie Wright made the best distance in the boy, skip and jump contest. His distance was 28 feet 1 inch. W. E. Anderson was second with 35 feet 7 inches.

The last event was the catching of the greased pig. A little pig that would weigh about twenty-five pounds was brought out on the diamond and although he had been well greased, it took but a very few minutes for his capture, Henry Carbo being the successful one in holding him of the fifty or more boys who swarmed after the unfortunate animal.

The line up of the baseball teams was as follows:

## FASTEST GAME OF SEASON

In Which Neither Side Could Win Victory

### BUT RANGERS SCORED

Their Tally Was Made After Whistle Was Blown, According to the Decision of Referee Williamson.

In one of the speediest, snappiest games of the season neither the Rangers nor the Green Mountains were able to score at the local grounds Saturday afternoon. This would have been the deciding game of the league series had the Green Mountains won, for then they would have been one point ahead of Hardwick. On the other hand, had the Rangers won Saturday they would have had a chance to tie Hardwick for first position. With these conditions in mind, the loyal rooters expected a warm game, and the large crowd that gathered at the grounds was not disappointed.

Both teams played a fast, clean game, the Rangers showing great improvement in the game over that which they have been putting up before this season.

When the referee's whistle blew for half time and neither side had scored, the cheers rang loud and long over the field. The second half proved to be even more exciting than the first; time and again the Greens rushed the ball up to the Rangers' goal, only to be repulsed by the clever goal tending of McKernon. At the very last minute, foul was called on one of the Green Mountain players, just outside the penalty line. As the ball was kicked, the referee blew his whistle for the end of the half, but the ball, rising straight and true, went just under the bar.

A few moments great excitement prevailed on the field, the adherents of the Rangers claiming that the goal had been scored before time was called, and the supporters of the Greens, Mountains claiming that the whistle blew before the ball went through the goal. Referee Williamson decided, however, that there was no goal and declared the game a draw. This ties the Green Mountains and the Hardwick club for first position in the league and a decisive game will be played to decide the championship.

The lineup was:

RANGERS		GREEN MOUNTAINS	
McKernon, goal	1	McGregor	
Scott, back	1	Russ	
Niel, back	1	Johnston, half back	1
McLeod, half back	1	Wright	
Lincoln, half back	1	Booth	
Thompson, forward	1	Ingram	
Riddle, forward	1	Jopp	
Duguid, forward	1	Burnett	
Brue, forward	1	Kessock	
Davidson, forward	1	Dawson
